

Fairfield University's School of Engineering

serve. However, exceptions to these recommendations (e.g. inviting an outside member to serve) may be made with approval by the thesis advisor and the department chairperson.

Steps 3 and 4: Thesis Proposal

Before beginning work on the MS Thesis, the **Master's Thesis Proposal Form** needs to be completed and approved. On this completed form will be a description of the general area of the research problem to be investigated and the

recommended that results of original research be considered for publication in collaboration with the thesis advisor. !
